Gratitude

School parents are the silent pillars of every student's success, offering constant support, encouragement, and care behind every achievement. Thank you for all that you do.

Principal

AZIA was thrilled to welcome our new principal, Dr. Muhammad Mahdi Ali, on Wednesday, April 8, when he visited the school to meet with staff and attended the Board Town Hall. He returned again yesterday and while on a tour of the building, the students had a chance to briefly meet and speak with him along the way. These visits were a wonderful opportunity for our school community to begin getting to know him, and we look forward are excited to have him join AZIA in the near future. Inshallah, he will also be joining us virtually for the Grade 8 Parent Information Session on Monday, April 13, 2026.
