Annual performance – January 29, 2026

The students have been working hard to practice for our annual performance will be held on Thursday, January 29, 2026. The show will be held from 1:00 – 3:00 pm. Each classroom will take the stage to showcase their creativity and hard work, making it a joyful afternoon full of excitement and pride. We look forward to celebrating our students with you!

Re-enrollment and new family enrollment information

The re-enrollment process has started. Thank you to those parents that have submitted their re-enrollment form. For those that have not yet submitted their form, we ask that you please submit the questionnaire by January 31, 2026.

Field Trip Permission Forms – New Process

To make the process more convenient for parents, all field trip permission forms will now be submitted through **MySchool**. Parents will no longer need to send cash or write cheques, as any applicable payments will be processed automatically using the method of payment on file.

Dress for the weather

As the weather gets colder, we kindly remind families to ensure students are dressed appropriately for outdoor conditions, including warm coats, hats, and gloves. Dressing for the weather allows students to comfortably enjoy time outside, which is an important part of the school day. Fresh air and outdoor activity help improve focus, boost mood, and support overall physical well-being, especially during the colder months. Thank you for helping us keep students warm, healthy, and ready to learn.
