PARENT DROP-OFFS

To keep our hallways safe and our classrooms focused and ready for the day, parents are not permitted to walk their children to the classroom for KG – Grade 7. Please say goodbye at the designated drop-off point. The only exception is for Junior Kindergarten families, who are expected to walk their child to their classroom.

ON-TIME ARRIVAL

Arriving to school on time helps your child start the day calm, settled, and ready to learn alongside their classmates. To keep our classrooms calm and ready to learn right at the bell, our doors close at 8:25 am and classes begin promptly at 8:30 am.

LATE ARRIVALS

Students who arrive after 8:30 am are marked as arriving late to school. They must report to the office to sign in and receive a late slip, which lets the classroom teacher know your child has checked in. If a child does not sign in at the office, they will be marked absent for the day, and parents will receive a text message letting them know their child has been marked absent.

SCHOOL DISMISSAL

To avoid classroom disruptions and keep bus dismissal running smoothly, doors for dismissal will open at 3:30 pm for all students (J KG – Grade 7). Parents of Junior Kindergarten children should come upstairs to get their child first, and may then collect their other children from the gym afterward.

PARENT IEP MEETINGS

On Wednesday, October 7, Parent IEP meetings will take place with the Learning Support team. The Learning Support team has already connected with the parents they want to meet with. These meetings will establish each student's IEP goals, which will then be communicated with all classroom teachers.

FARSI CLASSES — REGISTRATION OPEN

We are still accepting registration for the Farsi classes. This is a wonderful opportunity for students to develop their Farsi language skills in a welcoming and supportive environment. Registration closes on October 18. To register your child, please log in to the [Farsi Class Registration](#) and complete the registration form.

AFTER-SCHOOL CLUBS

Clubs Registration is open through October 8, 2026 — clubs begin Monday, October 19. We encourage every family to consider registering their child for a club this term. To register your child, please log in to the [Clubs Registration](#) and complete the registration form. Club registration confirmations will be emailed by October 14, 2026 — please be on the lookout for this email.

MAP TESTING

This week, Monday, October 5 through Friday, October 9, students in Kindergarten through Grade 7 will take the MAP assessment in Math and Reading — each grade's testing day is noted on the calendar above. A few grades have additional sessions the following week, on October 13 and 14. The MAP assessment helps us measure students' academic growth and understand what they are ready to learn next. No studying is required for this test! Please just ensure your child gets a good night's sleep and a healthy breakfast so they arrive rested and ready to do their best.
